# Kent St Homestay

Available in Epping (NSW) is a two bedroom self-contained apartment for visitors to Sydney. Over the years we have enjoyed hosting a variety of guests for study purposes from many countries and our country cousins.

We are within a stone's throw of Macquarie University. Sydney Uni, UTS and Western Sydney campuses are also accessible by train/metro/bus/car. Also very accessible by public transport or car are key hospitals - Macquarie University Hospital, Westmead, SAN, Norwest Private and Royal North Shore.

And not to forget those on holidays... no sea views but a leafy private outlook and easy walking access (10 mins) to Epping's main metro/train line and straight into the city or the airport, to Olympic Park for a show/sporting event or train and a ferry down the Parramatta River for a more leisurely trip to Sydney or Parramatta's CBDs.

The apartment is private with all amenities included, a new kitchen with oven, microwave, dishwasher, laundry, bathroom (no bath), and two bedrooms, one with a queen bed and the second with a double bed.

The apartment is ideally suited for those coming to Sydney for a short stay or holiday - our minimum stay is two nights.

We live in the house which is at the rear of the apartment as our children have departed overseas or to their own abodes! We give our guests privacy but are generally around to have a chat, see how you are going and to answer any queries you may have.
